

Mercer County Schools
Title I
School Year 2018-2019

Dear Parents and/or Guardians:

Welcome to a new school year! This letter is to inform you that your child's school is a Title I Schoolwide Program Site. This means that the general educational program receives assistance from Federal ESSA Title I funding. During the school year, your child will benefit from classroom assistance provided by Title I personnel. In addition, the entire school benefits from materials and supplies purchased with Title I funds.

Parent and Family Engagement is an important part of your child's education and is a vital component in the Title I program. A variety of activities, which depend on the participation and support of the community, parents and other family members, are planned throughout the school year. A County Title I Parent Advisory Council has been established and will meet twice this year: In addition your child's school will conduct informational meetings and/or parent workshops to provide assistance to you or to answer any questions you may have concerning Title I and other federally funded programs. The school will notify you in advance of the date, time, and location of each scheduled session. We hope to see you at Title I activities throughout the school year.

Any questions or concerns you may have will be answered by either your child's teacher or the school principal. Any additional questions should be addressed to:

Mercer County Schools
Rick Ball, Assistant Superintendent
Director of Title I
