

Dear Parents/Guardians,

Mercer County Schools is now using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classrooms to enhance connectivity and communication across Mercer County Schools.

Your child has been given login credentials to access Mercer County's Schoology system. We value your participation in your child's education. As a parent, you will be able to view your child's activity within the platform.

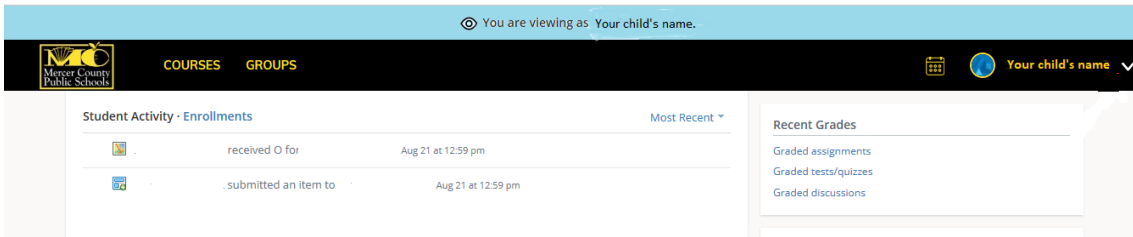

To set up your account, please use a personal computer. We recommend using Google Chrome as your internet browser. Go to <https://schoology.com>. On the right side click on Sign Up, then click Parent.

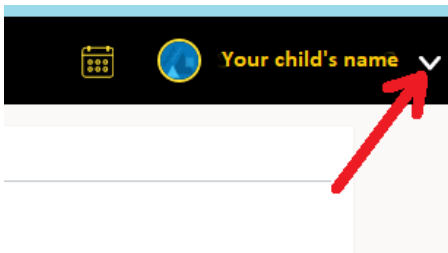

On the next screen, type in your Parent Code. When finished, click Continue.

On the next screen, type in your Name, email address, and a password of your choosing. When finished, click Register.

The page should load and look something like this:

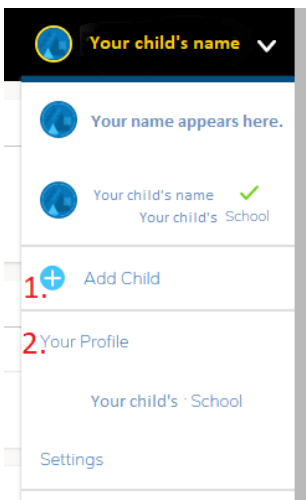

Click the “drop arrow” beside your child’s name;

This screen will appear:

We look forward to working with your child during the 2020-2021 school year. If you have questions or need assistance, please call the Technology Service Desk at (304) 431-1234.

If you have more than one child, click **Add Child (1.)** to input additional codes.
